It is Silver Lake Hoop time! Yes that is right! We will be running our very popular summer basketball camp during the February school vacation period! We will again be working very hard to provide our campers and our community with a clean, safe environment while providing the opportunity to let kids enjoy basketball and still have a great time.

Because of the limited space(unlike the summer) we will only be able to accommodate a smaller group of players. The plan will be to take 40 to 45 players grades 3-6 and 10 players grades 1-2.

If for any reason your child is feeling ill please do not send them to camp! Face masks are optional.

Please try to remember that even though we are a basketball camp, we are trying to offer a safe outlet for kids during this vacation week.

Please feel free to forward this email to any interested campers. Can't wait to see everyone at camp this winter!! Any questions, please feel free to email us @ Silverlakesummerhoops@yahoo.com or you can call
